

MOST CANADIANS ARE GROWING CONCERNED

- Are you struggling to pay your bills?
- Are you overwhelmed with the cost of living – rent, groceries, gas, mortgage?
- Are you tired of the impacts of the Carbon Tax?
- Have you given any thought to how the Central Bank and Digital Currency will impact your family?
- How many ethics violations are too many?
- Are the current government policies serving you and your family?
- Do you like having the rights to your children and their education?
